

Review meeting within TEMPUS-GOVERN project

On March 2 at the Northern University was held a meeting within TEMPUS-GOVERN project with the representatives of ERASMUS+(TEMPUS) national bureau-Lana Karlova and Ani Tovmasyan.

The meeting was aimed to discuss the results of trainings and achievements and activities done within the project.

The responsible body for External Affairs of the University S. Sargsyan referred to the University's activities for that purpose. Later the coworkers of HEIs, who participated in trainings at European universities, presented their obtained valuable experience, which they use at the University now.

Particularly the Head of the Department of Law Ani Khechoyan referred to the trainings held at the University of Leuven, she talked about our European partners' experience, related to Academic programs, due to which the Chair has revised its course syllabus through benchmarking. The Northern University is the only private university included in the program, as it was mentioned by the ERAZMUS+(TEMPUS) national bureau's programs coordinator Lana Karlova.

She also added that great activities are done: during two years there has been created a new working style, new approach to educational programs. Lana Karlova addressed to attendees with suggestion to actively participate in teachers' and administrative employees' exchange programs.
